EDA Summer Seminars 2015

The European Dyslexia Association, in cooperation with the University of San Marino, are pleased to invite you to the coming EDA Summer Seminars which will be held from 18th to 20th of June 2015. The Summer Seminars purpose is to Exchange research, practice and experience. This years theme is:

“Dyslexia in different perspectives”

Confirmed Keynote speakers: Professor Åke Olofsson, Umeå University (Sweden)
Professor Rod Nicolson, University of Sheffield (United Kingdom)
Professor John Stein, University of Oxford (United Kingdom)
Torbjörn Lundgren, Author (Sweden)

Target group are researchers, professionals, educational experts, teachers, parents as well as individuals with learning difficulties. Aims are to forge closer contacts and communication, to share research information and good practices for DYS-students, to express DYS-experiences and bring forward any DYS-related problems (in early recognition, education, vocational life, profession, related legal issues and laws, etc.) in the countries of the participants.

If you intend to do a presentation, you are invited to submit your proposals (related to the above aims) for oral presentation, interactive paper or workshop. For consideration, please forward: title, affiliation, abstract (not exceeding 250 words) and indication if your proposal primarily underlines by a personal, practical or academic view before 28th of March 2015 by e-mail: pernilla.soderberg.juhlander@lnu.se

The review results will be sent out on April 13, 2015.

Please note:

- The European Dyslexia Association does not promote/endorse any products or services. Speakers are required to respect this in their presentation.
- Oral presentations and workshops will be delivered in English.
- “Italian Day”: On the third day (20th of June) will be provided translation into Italian.
- Admission to and participation at the EDA Summer Seminars 2015 is €100. Travel and accommodation must be covered by the participants and speakers themselves.
- As places for attendants are restricted (maximum 90), accommodation information and early registration is recommended via: simona@unirmsm

The final program will be published in early April 2015.

The fee for the Summer seminars is €100 for the whole conference. The fee includes 1 lunch, coffee, social dinner and a city tour.

The EDA Community Summer School was staged successfully for five years, in cooperation with the University of San Marino.

The EDA-Board decided in 2013 to rename this event to: “EDA Summer Seminars”
